The status of the claims is as follows:

Claims 1-12 and 31-32 have been cancelled; and

Claims 13-30, and 33-35 (newly added) are herein addressed below.

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 13-30 and 33-35 are rejected under 35 U.S.C. 102(b) as being anticipated by Ritchie (5,857,732). Ritchie (5,857,732) discloses a vehicle door module comprising a support element (see figure below), an outer panel element (12) to close the service opening along an edge zone, a spacing element (70) in the form of a heat curable adhesive (column 4, lines 34-67) which allows adjustability between the parts in two dimensions, which are to be fastened, and bolts (80) detachably joined to the stiffening element and support element.

Art Unit: 3634

Applicant's arguments with respect to claims 13-30 and 33-35 have been considered but are moot in view of the new ground(s) of rejection.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
